

A community health center serving the Rock River Valley area with primary healthcare for all people

More than a “doctor’s office”

- Crusader’s Community Connections department assists with getting resources and services within our community
- Sliding patient payment scale for services
- Spanish interpreters on-site along with the ability to communicate in over 100 different languages
- Domestic violence team available to assist at-risk patients
- Only regional community health centers to offer school-based care
- Behavioral health specialists available to all patients

Our services:

- Primary medical care
- Dental care for kids and adults
- Behavioral healthcare
- Women’s health
- Living with HIV
- CrusaderNOW!™ walk-in clinic
- Crusader Community Connections
- Walgreens on-site at West State Street
- School-based health centers at Auburn HS Rockford and South Beloit HS and JHS
